It is to be recreited that some legislation cannot be devised b national metropolis can be cut off. CURIOUS FACTS ABOUT THE PRESIDENTS.

The following compilation of curious coincidents in the names and lives of the seven Presdents of the United States, Washington, John | Ber Adams, Jefferson, Madison, Monroe, John 1941 Quincy Adams, and Jackson, are furnished by the Boston Transaction NEGEO WOOL by cost or trade, the Boston Transactiff:

Four of the seven were from Virginia. Two of the same nave were from Manachusetts, and the seven has from Temperee. All but one were sixty-six years old on leaving office, having served two terms; and one of A them who had served but one term would have been sixty-aix years old at the end of another.

Three of the serve died on the 4th of July, and two on the same day and year. Two were on the sub-committee of three that deafted the De-laration of Independence, and those two died on the same day and year, and on the anniversary of the De-laration of Independence and typically that a great way for the day of Thela. them who had served but one term would ha and just half a century from the day of Declaration. The names of three of the seven end in son, yet none of those transmitted his name \*\*These excited with an exterior (\*) died white in its action of the Variation of President and Vice President was the water of electors of President and Vice President was the water of the variation of his country—men and the civilization of his particular to the same of all, it may be said in conclusion, the initials of two of the seven were the same; and the i ing one, who stands alone also in the love and admiration of his country—men and the civilland world—Washington! Of the first five, only one had a son, and that was also a Presi-

REAL ESTATE IN NEW YORK .- "Pink," the New York correspondent of the Charleston Courier, in his last letter, says : The Chinese assembly rooms, 55 hy 564, sere cold yesterday for \$196,000. The history that 

for \$22,000, and bought the double int, 50 by 65, above, for \$15,000; and Mr. Coxter, who were regarded as a very wealthy man in 1896, began to erect a grand palace up town, in Broadway, between Spring and Prince streets. He furnished it elegantly. He expected it would be the fam by residence of his descendants for 200 years more. He died, and had hardly not cold before Barrow him the house of Barrow hardly not cold before Barrow him the house at the bac offers with her repeated DON (Brant ARM). The most of Barrow hardly not cold before Barrow him the house at the barrow had a KING-DON Cases of Barrow hardly not cold before Barrows him the house at the barrow had a KING-DON Cases of Barrow hardly not cold before Barrows him the house at the barrows at the barro and for 200 years more. He died, and had hardly got cold before Barmore hired the house, and fitted it up for a Chinese museum. Then he removed the Chinese fatures to his own museum, and the place was called the Chinese assembly rooms. The Costors and it long ago for \$40.000, I believe. Now it is re-sold for \$100,000.
